

iPhone 4. Verizon. It begins.

Apple® iPhone® 4 is coming to Verizon. Because we appreciate and value your loyalty, existing Verizon customers will have an exclusive online purchase opportunity before iPhone 4 is available to everyone else. This online purchase opportunity begins February 3rd.

With iPhone 4 coming to America's Largest and Most Reliable Wireless Network, there's never been a better time to upgrade your phone.

iPhone 4 will be available on a first-come, first-serve basis, so you must visit My Business Account for your chance to purchase.
